2 of Para VII of the Rules for the Settlement of Ready Money Grants, which is as follows:—

"Grants of Money Supplied Channels, in which the hereditary character of the Grants is expressly mentioned, are to be continued without reduction to its present holder his heirs, male or female in direct succession & undivided brothers and Cousins and to persons regularly adopted according to the Hindu Law."

Divided brothers is argued that divided brothers are excluded by the use of the expression "undivided brothers"

These were Rules in the first place framed for the guidance of the officers entrusted with the duty of effecting a settlement (in 1868 and the following years) they are operative up to the redemption of the Ready Money Inams and the Grant of Title deeds. They do not relate to the subsequent devolutions of the Inams—

Secondly even if they relate to devolution, the word "heirs" Covers devised brothers, that the intention was that such grants should be made hereditarily is clear from the title deed, which is as follows:—

"On behalf of the Court of His Highness the Maharaja of Mysore I do hereby certify that you are entitled to hold a Ready Money Inam of Rs which will be Continued to you and your heirs only in hereditary succession so long as you and they are loyal Subjects of the State and it is not otherwise transferable."

A page from his General Form, the Inam Register shows that the Cash Grants in question were made hereditarily to Narasappa.

On the death of Sankara Shetty, the grant that he was in enjoyment of devolved upon his legal heir, under the Hindu law and there was succession

Sir,

I have the honor to forward herewith the stipendiary title deeds granted to Sankarabhatta and Sivaramabhatta of Midigesi in the Maddagiri Taluk received with the Maddagiri Sub Division Officer's memo No. M.C.R. 231/19-20 dated 15th May 1920 for perusal.

It is reported that Sankarabhatta who is the brother of Sivaramabhatta died a bachelor without leaving any other heirs except his brother and the petitioner Sivaramabhatta requests that the stipend due to Sankarabhatta may be ordered to be paid to him as his heir. Sivaramabhatta further states that the allowance which was being paid to his father was distributed between his two sons at half of the amount namely 0-9-8 and that he has no reference to show that Rs 1-3-4 was being paid to his father before distribution.

3. Under these circumstances I request that Government sanction may be accorded for converting the two stipendiary title deeds into one for Rs 1-3-4 and this amount being made payable to the present holder Sivaramabhatta as the surviving heir of the deceased Sankarabhatta.

I have the honor to be,
